**President's Report**

Hollenbaugh announced that the Regents would be meeting in Missoula in July. Senator St. Peter suggested the possibility of ASUM sponsoring a summer barbecue when they are here to give senators who are in town or interested students to voice their concerns. St. Peter noted that an open forum on enrollment management will be held Thursday, May 14, from 7:30-9 p.m. in the Law School Library and stressed the importance of attending.

Hollenbaugh encouraged senators to distribute flyers to their constituency on the Campus Rec fee, which will be on the election ballot as a referendum.

The University Homeowners' Association will meet in the Hellgate High School cafeteria this Thursday evening, May 7, at 7:30 p.m and encouraged senators to attend. The parking district will be discussed.

Bruce Barrett will be filing a challenge to the parking district within the next week.

Hollenbaugh attended a meeting for the Building Fee Committee at which monies were distributed for various projects. See him for more information.

ASUM Office Manager

Response to "Open Debate on the Holocaust" Ad from 4/28/92 Kaimin

On April 28th, the Kaimin ran a full-page advertisement by Bradley R. Smith of the California-based Committee For Open Debate on the Holocaust. For anyone who missed the irony in his group's name, Mr. Smith is not a civil libertarian, but a "Holocaust Revisionist," as he calls it. He believes that the Jewish Holocaust never happened, that in fact no one was gassed at Auschwitz, no one shot at Babi Yar, no one starved at Dachau. This is a fascinating type of revisionism. Does it imply by extension that millions of black Africans on eighteenth-century slave ships did not die in transit? That a majority of Native Americans weren't either killed or reduced to hopeless poverty by the Europeans' diseases and disdain? That another five million gypsies, Slavs, blacks, homosexuals, and dissidents didn't also die in Nazi death camps - or twenty million Russian "communists," throughout the war?

Smith adopts a pseudo-scholarly tone and carefully avoids the shrillness of explicit anti-Semitism, but his subtext shouts of it. By diluting the monstrosity of Hitler's Final Solution to the "Jewish Problem," Smith is rejecting the full meaning of all episodes of genocide and racism, past and present. If it is safe to deny the murders of six million Jews fifty years ago, why not the deaths of over two million Kampuchians seventeen years ago at the hands of the Kmer Rouge? Or of Iraqi Kurds last year? When Smith circumvents the truth to point the blame for the "myth of the Holocaust" at the Holocaust's own victims, we are all at risk.

Mr. Smith may assume that Missoula is receptive to his message, or that our affinity for human dignity is weak enough to make us susceptible to his manipulation. We assure him that he is wrong. We renounce the ignorance and hatred implicit in his message.

Version 1: signed by names of sponsoring organizations, and published in Kaimin, Missoulian, Independent. (Needs assent from a representative of group)

Version 2: signed by individuals and mailed directly to Smith.

(Needs signature on petition form)

## Hate Speech Education Resolution

The public forum on proposed "hate speech" regulations that was held on February 13, 1992, established strong opposition to the regulations and strong support for seeking to eliminate hate speech through educational means. Given this support for an educational means of addressing hate speech, and in recognition of the right of individuals not to be intimidated by verbal harassment, it is hereby proposed that ASUM support this right publicly, with qualification that this does not imply or justify that free speech should be limited by any legal sanctions. Moreover, in recognition of this right, ASUM will sponsor, in conjunction with the University and Faculty Senate if so enacted by them, two annual public forums to address issues of verbal harassment and related violence in our community.

\* \* \*

WE, the Associated Students of the University of Montana, hereby recognize the right of individuals not to be intimidated by verbal harassment, with qualification that this should not be understood to imply or justify that free speech should be limited ~~by any legal sanctions~~.

AND, in recognition of this right, will sponsor, in conjunction with the University and Faculty Senate if so enacted by those bodies, an annual University Forum on Racist and Inter-Cultural Harassment and Violence AND an annual University Forum on Sexist and Sexual Preference Related Harassment and Violence. These forums will consist of speakers, panels of speakers, seminars, dramatizations of harassment and violence, or some other format that captures the spirit of a public educational forum.

AND, in order to coordinate these fora and assure their continuance into the future, a coordinating committee of students and faculty members will be appointed; ~~(3)~~ <sup>5</sup> by ASUM in cooperation with appropriate student groups, (2) by Faculty Senate, and (1) by the University President.

AND, in order to assure that affected groups are adequately represented, each of the following <sup>five</sup> four groups will be requested in writing by ASUM <sup>and later by the acting chair of the committee</sup> to designate a member of the coordinating committee; Black Student Union, Kyi-Yo Club, Lambda Alliance, Women's Center, <sup>and Jewish Student Union.</sup> In addition, after being notified of these <sup>five</sup> ~~four~~ designees, ASUM will designate one additional member at its own discretion. These <sup>six</sup> ~~five~~ individuals will then be formally appointed to the committee by ASUM. These appointments will be reviewed annually, ~~or as notified by the committee~~. Replacement members will be designated by the same group that designated his or her predecessor.

AND, ASUM hereby requests ~~that Faculty Senate and the University President appoint additional members of the coordinating committee~~. It is recommended that Faculty appoint two members and the President appoint one member.

A RESOLUTION  
TO INCREASE THE STUDENT UNION OPERATING FEE

Sponsors:           Brittney McKay

Purpose:               To offset a projected inflation factor of 4.6% in personnel and operating costs; to maintain current services with modifications based upon sound business practices; and, to finish the 1992-93 fiscal year with sufficient funds for needed capital maintenance and improvements.

Whereas:             The University Center would face a "bare-bones" 1992-93 budget, with little allowance for contingencies and reduced funds available for capital;

Therefore:           Let it be resolved that the students at The University of Montana have agreed to a \$1.50 increase in the Student Union Operating Fee, subject to the same distribution for capital as previously agreed.

Approved 5/6/92

# UC OPERATING FEE INCREASE PROPOSAL -- Spring 1992

## FACT SHEET

### CURRENT FEES

	<u>Quarter Fee</u>	<u>Semester Fee</u>	<u>PROPOSED FEES*</u>

Student Union Fee	\$14.00	\$14.00 x 3 - 2 =	\$ 21.00		\$21.00
UC Operating Fee	25.00	25.00 x 3 - 2 =	<u>37.50</u>	\$ 1.50	<u>39.00</u>
Total			\$ 58.50		\$60.00
Development Fee	5.00	5.00 x 3 - 2 =	7.50		7.50

\*Proposed Operating Fee Increase: \$1.50/SEMESTER [2.56% INCREASE]  
 Dollars Generated: \$31,500 BASED ON 10,500 ENROLLMENT

### Scenario with Increase

1. Partially offsets a 4.6% projected inflation factor.
2. Maintain existing services with any modifications based upon sound business practices rather than budgetary constraints.
3. Projected net revenues available for capital improvements and maintenance items: \$106,400.

### Scenario without Increase

1. Budget tightens further due to inflation.
2. No planned cut in services. However, reduced flexibility to meet changing student and customer needs.
3. Reduced ability to react to emergencies, repairs, or increase in energy costs due to a normal winter.
4. Reduced funds for capital improvements.
